

Family Support When You Need It

Rethink is an employee benefit that gives your family access to tools and resources to help you and your care team in understanding, teaching and better communicating with your child. We specialize in helping care for children with learning, social or behavioral challenges. Through Rethink, SpaceX employees gain access to **14 hours of remote consultations annually** with a Board Certified Behavioral Analyst to address specific challenges. Consultations may be divided into 30 minute increments, and may be conducted by phone or video chat.

The program is provided by SpaceX at no cost to you.

When you join, you get instant access to a variety of resources.

Ongoing consultations with a dedicated behavior expert to address your specific challenges

Unlimited access to our website and mobile app with how-to videos and resources to teach crucial skills

Exclusive content developed to assist your child with socialization, self-help, academics and more
